ABOUT OUR CLUB

Our Mission as a Snowmobile Club is to promote a fun, safe family environment, where all feel welcome. We help support our community by maintaining a beautiful trail network that supports many outdoor activities other than Snowmobiling. We have many miles of trails throughout town on both Private and Public lands that connect to the Snowmobile Association of MA vast network of Trails.

Our Corridor 71 Trail connects to the Spencer Sno-birds Trail Network. The Corridor 71 trail runs North to the N.H. state line, where you can pick up the N.H Trail system. Our local Secondary Trails 56 and 56A will take you around town where you can get gas and food. Some of the Highlights on our trails that you may want to check out are the ORH Airport, Spider Gates Cemetery, Hot Dog Annie's, Barber's Crossing, Johnson's Field/ Farm and the serenity that the Leicester Snowmobile Club trails offer.
