SAM is not a company, it is a non-profit organization of clubs who strive to develop and maintain an expanding interconnected snowmobile trail system, allowing snowmobile enthusiasts to travel from Worcester County to the Berkshires, in a safe, efficient manner. We are self-funded through trail pass memberships and fundraisers, much like this one. Without SAM the trails would cease to exist and snowmobiling would halt in Massachusetts. There are approximately 5,000 members of SAM, expanded across the state and even across state lines! If you would like to find out more about snowmobiling in our great state, check out our website <https://www.sledmass.com/>
